

JUST THE TICKET FOR MRT ART

Some 27,000 EZ-Link cards which were phased out in 2009 have been put to fitting use in an artwork at the new Marina South Pier MRT Station.

The huge display, which features historical and modern landmarks such as St Andrew's Cathedral and the Singapore Flyer, was put together by Mr Dan Wong, 31, Ms Jacquelyn Soo, 33, and Mr Billy Soh, 35, from the Singapore Contemporary Young Artists society.

Marina South Pier is the newest station on the North-South Line. It opens this Sunday.
